Note: Updates to Schedules RC-C, RC-L, and RC-N are mainly related to the reporting of loans to nondepository financial institutions, and updates to Schedule RC-B are mainly related to the reporting of structured financial products guaranteed by U.S. Government agencies or sponsored agencies. All other updates consist of technical edits including corrections, formatting, capitalization, and removal of outdated accounting terminology. More non-substantive technical updates to pages such as indentation and spacing are not marked with vertical lines.

*Updates include moving text between pages that are next to each other.

**Updates limited to only changing page numbers from A-68e and A-68f to A-68c – A-68d, respectively.
