Application for Federal Deposit Insurance  
(Deposit Insurance Fund)**

**STATEMENT**

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. § 1815), an application for Federal deposit insurance has been filed for Business Bank, N.A. (the Bank), a proposed new federal national bank to be located at 1910 W. Braker Lane, Austin, Travis County, Texas.

The Bank will be a traditional full-service community bank that primarily serves small to medium-sized businesses, entrepreneurs, and high net worth individuals in South Central Texas. The Bank intends to offer commercial and industrial, commercial real estate, a limited volume of consumer loans, an array of deposit products, and Internet banking services primarily the cities of Austin and San Antonio and their surrounding areas. In addition to traditional loans, the Bank will offer small business administration loans, secured accounts receivable factoring facilities, and a vendor early pay cash discount loan program for its commercial customers. The Bank will not be organized under a holding company structure.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to this proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Acting Associate Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
