I am a member of DUQUESNE BUSINESS ADVISORY CORP

We are part of Mon Valley Initiative, a coalition of 12 CDCs in communities along the Monongahela River outside of Pittsburgh, PA. Since the demise of the steel industry, our communities have struggled to retain residents, businesses, and jobs. While our efforts to provide affordable housing and support business development have had a positive impact, we are not done. The Community Reinvestment Act is essential to the continued revitalization of our community. Changes in CRA would exempt many of our valuable partners from the current requirements and severely restrict the scope of our work. I ask the FDIC to reconsider and withdraw the proposed rule.

COMMENTS: OUR CDC IS 26 YEARS IN EXISTANCE
WE HAVE A LONG WAY TO GO AND NEED AS MUCH

COMMENTS: Please reconsider making changes in
the CRA. Our community has benefited so
much from these funds.
