## ARTICLE I DEFINITIONS AND CONSTRUCTION

Section 1.1 Definitions. For purposes of this Agreement, but subject in all respects to the provisions of Section 19.6, all terms used in this Agreement (including in the preamble and recitals to this Agreement) that are defined in, or by reference in, that certain Agreement of Common Terms and Definitions dated as of the Agreement Date among the parties to this Agreement and certain others (as the same may be modified, amended, restated or supplemented from time to time in accordance with the terms set forth in such Agreement of Common Terms and Definitions, the “**Agreement of Common Terms and Definitions**”), and are not otherwise defined in this Agreement, will have the meanings and definitions given, or referred to, in the Agreement of Common Terms and Definitions.

Section 1.2 Rules of Construction. The Rules of Construction apply to this Agreement.

## ARTICLE II PAYING AGENT

Section 2.1 Appointment of Paying Agent. Subject to the terms and conditions of this Agreement, the Company, the Initial Member and the Private Owner hereby appoint the Bank to perform the duties of the Paying Agent specifically set forth in this Agreement, and the Bank hereby accepts such appointment.

Section 2.2 Delivery of Documentation.

(a) Copies of the Transfer Agreement and the LLC Operating Agreement (or portions thereof) as are necessary for the Paying Agent to be familiar with to perform its obligations set forth in this Agreement have been delivered to the Paying Agent by the Company, and the Paying Agent acknowledges receipt thereof. An executed original counterpart of the Private Owner Pledged Account Control Agreement, or a copy thereof, has been delivered to the Paying Agent, and the Paying Agent acknowledges receipt thereof.

(b) The Paying Agent will retain the Private Owner Pledged Account Control Agreement in its possession and custody at all times during the term of this Agreement unless any one of the following events has occurred:

(i) If the Paying Agent resigns or is removed in accordance with the provisions of Section 9.1, the Custodian will deliver the Private Owner Pledged Account Control Agreement to the successor Paying Agent in accordance with Section 9.1.

(ii) If the Paying Agent receives a Request for Release and Receipt of Private Owner Pledged Account Control Agreement in the form attached to this Agreement as Exhibit I from an Authorized Representative of the Initial Member, the Paying Agent will deliver the Private Owner Pledged Account Control Agreement to the Initial Member, in accordance with the instructions provided in such notice.

The Paying Agent will have no obligation to inquire whether any request, instruction, certificate, direction, receipt, demand, consent, resolution, instrument, opinion, report, notice, document, communication, statement or calculation is in conformity with the terms of the agreement pursuant to which it is given, except those irregularities or errors manifestly apparent on the face of such document or actually known to the Paying Agent. If, however, any remittance or communication received by the Paying Agent appears manifestly erroneous or irregular, the Paying Agent will endeavor to make prompt inquiry to the Person originating such remittance or communication in order to determine whether a clerical error or inadvertent mistake has occurred.

Section 2.4 [Intentionally Omitted].

### ARTICLE III ACCOUNTS

Section 3.1 Collection Account.

(a) On the date of this Agreement, the Company is to establish the “Collection Account” with the Paying Agent (the “**Collection Account**”). The Transferor is to cause all Asset Proceeds received during any particular Due Period during the Interim Servicing Period (and remaining after reimbursement or payment of Interim Servicing Expenses and Pre-Approved Charges) to be remitted to the Collection Account as set forth in the Transfer Agreement. For all Asset Proceeds with respect to any Group of Assets received after the Interim Servicing Period with respect to such Group of Assets, the Company is to transfer, or cause the Servicer, Subservicer or JDC Contractor to transfer, such Asset Proceeds to the Paying Agent for deposit into the Collection Account within the time frame provided in Section 12.7 of the LLC Operating Agreement (and without any offsets or deductions not otherwise expressly permitted therein). No funds from any other source (other than Asset Proceeds, interest or earnings on the Asset Proceeds, funds transferred from the Working Capital Reserve Account pursuant to the LLC Operating Agreement and Section 3.6, funds advanced by the Manager as Excess Working Capital Advances pursuant to the LLC Operating Agreement and Section 3.7, and funds deposited into the Collection Account pursuant to Section 8.1) are to be commingled in the Collection Account.

(b) Without limitation of Sections 3.1(c) and 3.2(a), amounts on deposit in the Collection Account (including interest and earnings thereon) on any particular day are to be applied: (i) other than with respect to funds transferred to the Collection Account as described in clause (ii), (iii) or (iv), in the following order of priority: (A) [intentionally omitted]; (B) to pay the then-outstanding amount of Interim Servicing Expenses, Servicing Expenses and Pre-Approved Charges, either then due and payable or subject to reimbursement; and (C) then, to fund any Required Funding Draws; (ii) to the extent of any transfers of funds from the Working Capital Reserve Account to the Collection Account pursuant to Section 12.11(c) of the LLC Operating Agreement and Section 3.6(a), to pay Working Capital Expenses; and (iii) to the extent of any

deposits of Excess Working Capital Advances into the Collection Account pursuant to Section 5.5 of the LLC Operating Agreement and Section 3.7 for such purpose, to pay Working Capital Expenses.

(c) At any time during the Interim Servicing Period, each Existing Servicer is authorized to request the withdrawal of funds from the Collection Account to pay Interim Servicing Expenses and Pre-Approved Charges. The Manager is authorized to request the withdrawal of funds from the Collection Account at any time as set forth in Section 3.1(b). If the Transferor, the Company, the Servicer or any Subservicer at any time erroneously deposits any amount into the Collection Account, the Manager is authorized to request the withdrawal of such amount and instruct the Paying Agent to pay such amount to the Transferor, the Company, the Servicer or any Subservicer, as applicable. Any such request by the Manager is to be delivered to the Paying Agent in accordance with Section 18.1 and the Notice Schedule.

(d) The Paying Agent is to invest the amounts on deposit in the Collection Account in Permitted Investments in accordance with investment directions from the Company, but with a maturity that allows for their allocation and transfer to the Distribution Account in accordance with Section 3.2.

(e) Upon instruction, the Paying Agent will be authorized and directed to withdraw funds from the Collection Account only to pay Interim Servicing Expenses, Servicing Expenses and Pre-Approved Charges, to fund any Required Funding Draws, and to pay Working Capital Expenses (in each case, as set forth above in this Section 3.1) and to transfer funds to the Distribution Account pursuant to Section 3.2 and as otherwise set forth in this Agreement and not for any other purpose.

### Section 3.2 Distribution Account.

(a) On the Agreement Date, the Company is to establish the “Distribution Account” with the Paying Agent (the “**Distribution Account**”). The Paying Agent is to transfer from the Collection Account to the Distribution Account, for application pursuant to Section 5.1, not later than 12:00 noon New York City time on the Business Day immediately preceding each Distribution Date (and not earlier than on such immediately preceding Business Day), the amount specified in the Distribution Date instructions delivered pursuant to Section 11.4 for such Distribution Date. Unless expressly directed otherwise by the Company, the Paying Agent may, and will be deemed to have instructions from the Company to, invest solely in Permitted Investments of an overnight nature (that are intended to minimize risk of any potential reduction in the balance therein, and which may include such specific overnight investments as directed by the Company), any funds held in the Distribution Account on the Business Day prior to any Distribution Date. Any change in balance of the Distribution Account as a result of such overnight investments will be taken into account in the actual distributions made on such Distribution Date.

(b) No funds from any other source are to be commingled in the Distribution Account (other than (i) interest or earnings on the funds held in the Distribution Account and (ii) funding from the Collection Account as described in this Section 3.2). Amounts on deposit in (or that are required to have been deposited into) the Distribution Account (including interest and

earnings thereon) are to be allocated and may be withdrawn and disbursed only in accordance with the provisions of Section 5.1.

(c) The Paying Agent is authorized and directed to withdraw funds from the Distribution Account only to make disbursements in accordance with this Agreement and not for any other purpose.

Section 3.3 [Intentionally Omitted].

Section 3.4 [Intentionally Omitted].

Section 3.5 Capital Improvement Account.

(a) On the Agreement Date, the Company is to establish the “Capital Improvement Account” with the Paying Agent (the “**Capital Improvement Account**”).

(b) The Capital Improvement Account is to be funded initially on the Agreement Date with the Initial Member Capital Improvement Account Deposit and the Private Owner Capital Improvement Account Deposit in accordance with Section 2(b) of the Capital Improvement Addendum to the LLC Operating Agreement and thereafter replenished through deposits made into the Capital Improvement Account in accordance with Section 5.1(b)(v) of this Agreement and the then-applicable Capital Improvement Fund Target.

(c) The Paying Agent is to distribute the funds held in the Capital Improvement Account solely (i) to fund Permitted Capital Improvement Expenses in accordance with Section 2(d) of the Capital Improvement Addendum to the LLC Operating Agreement or (ii) as specified in Section 3.5(d) and not for any other purpose.

(d) The Paying Agent is to invest the amounts on deposit in the Capital Improvement Account in Permitted Investments in accordance with investment directions from the Company but with maturities that allow for their transfer in accordance with this Section 3.5.

(e) No funds from any other source (other than interest) or earnings on the funds held in the Capital Improvement Account and the initial and subsequent fundings pursuant to Section 3.5(b) are to be commingled in the Capital Improvement Account.

(f) The Capital Improvement Fund Target (as the same may be determined and adjusted pursuant to Section 2(b) of the Capital Improvement Addendum to the LLC Operating Agreement) is to be specified in each Monthly Report and, as to each Distribution Date, included in the Cash Flow and Distribution Report for such Distribution Date.

(g) At such time as may be requested or approved in writing by the Initial Member following a determination by the Company (or the Manager on behalf of the Company) that no further Permitted Capital Improvement Expenses will reasonably occur with respect to the Assets, and otherwise upon the winding-up of the Company pursuant to Section 9.2 of the LLC Operating Agreement (whenever occurring) and prior to the Final Monthly Distribution, the Paying Agent is to transfer to the Distribution Account (or to the Collection Account for further

transfer to the Distribution Account), in accordance with the applicable instructions provided by the Manager pursuant to Section 2(e) of the Capital Improvement Addendum to the LLC Operating Agreement, the then remaining balance in the Capital Reserve Account.

(h) In addition, if the Company (or the Manager on behalf of the Company) determines, at any time prior to the transfer of remaining funds pursuant to Section 3.5(g), that any funds held in the Capital Improvement Account in excess of the Capital Improvement Reserve Floor no longer are necessary to satisfy the purposes for which the Capital Improvement Account has been established, the Company (or the Manager on behalf of the Company) may, in each case subject to the prior consent of the Initial Member (with the Initial Member providing confirmation of such consent to the Paying Agent), instruct the Paying Agent to release such excess funds from the Capital Improvement Account, and thereafter the Paying Agent is to allocate and distribute such excess funds to the Collection Account.

### Section 3.6 Working Capital Reserve Account.

(a) On the Agreement Date, the Company is to establish the “Working Capital Reserve Account” with the Paying Agent (the “**Working Capital Reserve Account**”) for the purpose of paying (and maintaining applicable reserves for payment of) Working Capital Expenses. To the extent there are insufficient funds in the Collection Account with which to pay the outstanding amount of the Working Capital Expenses then due and payable, the Company may instruct the Paying Agent to release some or all of the funds from the Working Capital Reserve Account (in an amount that the Manager determines in the exercise of its reasonable discretion) and allocate and distribute such released funds to the Collection Account, from which the funds will be available to pay such Working Capital Expenses. (In determining whether there are “insufficient funds in the Collection Account” for purposes of the preceding sentence, the Company reasonably may take into account, during the portion of any calendar month preceding the Distribution Date to occur during such month, the transfer from the Collection Account to the Distribution Account to occur on such Distribution Date.) In addition to the foregoing, each Existing Servicer is authorized during the Interim Servicing Period to request releases from the Working Capital Reserve Account as set forth in Section 3.3(b) of the Transfer Agreement.

(b) The Working Capital Reserve Account is to be funded initially in accordance with Section 12.11 of the LLC Operating Agreement and thereafter replenished through deposits made into the Working Capital Reserve Account in accordance with Section 5.1(b)(v) of this Agreement and the then-applicable Working Capital Reserve Target.

(c) The Working Capital Reserve Target (as the same may be determined and adjusted pursuant to Section 12.11 of the LLC Operating Agreement) is to be specified in each Monthly Report and, as to each Distribution Date, included in the Cash Flow and Distribution Report for such Distribution Date.

(d) During the Due Period in respect of which the Final Monthly Distribution occurs, the Paying Agent is to transfer to the Collection Account, pursuant to applicable instructions provided by the Manager pursuant to Section 9.2(f) of the LLC Operating Agreement, any Working Capital Reserve amounts in excess of the applicable reserves established pursuant to

Section 9.2(a) of the LLC Operating Agreement. Following the Final Monthly Distribution, (i) the Company (or the Manager on behalf of the Company) is to determine, in accordance with Section 9.2 of the LLC Operating Agreement, the applicable amounts to remain in the Working Capital Reserve, and timing for release thereof, and (ii) the Paying Agent will be authorized, pursuant to applicable instructions provided by the Manager pursuant to Section 9.2(f) of the LLC Operating Agreement, to withdraw funds from the Working Capital Reserve for payment of Working Capital Expenses and applicable distributions in accordance with Section 4.5.

(e) In addition, if the Company (or the Manager on behalf of the Company) determines at any time prior to the Final Monthly Distribution in the exercise of its reasonable discretion that any funds held in the Working Capital Reserve Account in excess of the Working Capital Reserve Floor no longer are necessary to satisfy the purposes for which the Working Capital Reserve has been established, the Company (or the Manager on behalf of the Company) may instruct the Paying Agent to release such excess funds from the Working Capital Reserve Account, and thereafter the Paying Agent is to allocate and distribute such excess funds to the Collection Account.

(f) The Paying Agent is to invest the amounts on deposit in the Working Capital Reserve Account in Permitted Investments in accordance with investment directions from the Company but with maturities that allow for their transfer in accordance with this Section 3.6. No funds from any other source (other than interest or earnings on the funds held in the Working Capital Reserve Account, funding from the Members as described in this Section 3.6 and any additional amounts as may be deposited pursuant to Section 4.5) are to be commingled in the Working Capital Reserve Account.

(g) The Paying Agent is authorized and directed to withdraw funds from the Working Capital Reserve Account only to make disbursements in accordance with this Agreement and not for any other purpose.

Section 3.7 Excess Working Capital Advances. The Manager is (under certain circumstances) required to, and (under certain other circumstances) may in its discretion, from time to time make Excess Working Capital Advances to the Paying Agent from its own funds pursuant to Sections 5.5 and 12.6 of the LLC Operating Agreement. The Company (or the Manager on behalf of the Company) is to direct the Paying Agent to deposit any Excess Working Capital Advances if made to pay Working Capital Expenses, into the Collection Account (from which the funds will be available to pay Working Capital Expenses).

Section 3.8 [Intentionally Omitted].

Section 3.9 Private Owner Pledged Account.

(a) On the Agreement Date, the Private Owner is to establish the “Private Owner Pledged Account” with the Paying Agent (the “**Private Owner Pledged Account**”) for the exclusive purpose of holding Qualifying Cash Collateral, whether such Qualifying Cash Collateral is delivered on the Agreement Date or subsequent to the Agreement Date in full and complete substitution for a Qualifying Letter of Credit pursuant to the LLC Operating Agreement or upon

the liquidation or drawing down of a Qualifying Letter of Credit pursuant to the LLC Operating Agreement. The Private Owner Pledged Account (and all funds and Permitted Investments therein or allocated thereto) are to be held by the Paying Agent in a segregated account subject to the security interest granted for the benefit of the Initial Member pursuant to the LLC Operating Agreement, this Agreement and the Private Owner Pledged Account Control Agreement in substantially the form attached to this Agreement as Exhibit Q. In no event will the Private Owner have any right or authority to withdraw any funds from the Private Owner Pledged Account except as expressly provided in Section 3.9(b). The Paying Agent is to invest the amounts on deposit in the Private Owner Pledged Account in Permitted Investments in accordance with investment directions from the Private Owner but with maturities that allow for their transfer in accordance with this Section 3.9.

(b) From time to time, at the request of the Private Owner, the Paying Agent may release funds from the Private Owner Pledged Account to the Private Owner only to the extent that, after such release, the remaining balance of the Qualifying Cash Collateral on deposit in the Private Owner Pledged Account is not less than the Private Owner Pledged Amount. Any such release is to be effected pursuant to applicable instructions and documentation satisfactory to, and executed by (or with the written consent of), both of the Initial Member and the Private Owner (and prepared at the sole cost and expense of the Private Owner).

(c) Upon receipt of confirmation from the Initial Member of the release of the security interest in the Private Owner Pledged Account pursuant to Section 3.13(i) of the LLC Operating Agreement, the Paying Agent is to distribute to the Private Owner all funds remaining in the Private Owner Pledged Account, except as otherwise agreed at such time by the Private Owner and the Paying Agent and subject to receipt of applicable instructions from the Private Owner.

#### Section 3.10 Certain General Provisions Regarding the Accounts.

(a) Notwithstanding anything in the foregoing provisions of this Article III to the contrary, funds in the Collection Account, the Capital Improvement Account and the Working Capital Reserve Account may be used, and Excess Working Capital Advances may be made (and the proceeds thereof used), to fund amounts other than those set forth in the relevant foregoing provisions of this Article III, to the extent (and only to the extent) of express joint written directions to such effect from the Company and the Initial Member, pursuant to Section 12.14 of the LLC Operating Agreement.

(b) Each Company Account (and all funds and Permitted Investments therein or allocated thereto) is to be held by the Paying Agent in a segregated trust or custodial account established and maintained (under this Agreement) at a branch of the Paying Agent (or, to the extent permitted pursuant to Section 3.11 below, the applicable Eligible Institution) for the benefit of the Company. The Private Owner Pledged Account (i) subject to clause (ii), is to be held by the Paying Agent in a segregated trust or custodial account established and maintained (under this Agreement) at a branch of the Paying Agent (or, to the extent permitted pursuant to Section 3.11 below, the applicable Eligible Institution) for the benefit of the Private Owner, and (ii) is subject to a first priority security interest in favor of the Initial Member under the LLC Operating

Agreement or the Private Owner Pledged Account Control Agreement (and, without limitation of the foregoing, is held as security for the Private Owner Obligations as set forth in the LLC Operating Agreement or the Private Owner Pledged Account Control Agreement) and to the rights and remedies of the Initial Member thereunder.

Section 3.11 Paying Agent use of Separate Eligible Institution.

(a) If the Paying Agent is not an Eligible Institution, the Paying Agent may (and will be required to) comply with its obligation to establish and hold each Company Account and Private Owner Pledged Account required to be held at a branch of the Paying Agent pursuant to this Agreement (each, a “**Relevant Account**”) by so establishing and holding each such Relevant Account pursuant to Section 3.11(b) or 3.11(c).

(b) At the request of the Paying Agent and subject to the written consent of each of the Company (as to the Company Accounts), the Private Owner (as to the Private Owner Pledged Account), the Initial Member (as to all such Relevant Accounts), each Relevant Account may be established and maintained, at the expense of the Company (other than as to the Private Owner Pledged Account, which will be at the expense of the Private Owner) with an Eligible Institution, in each case so long as all of the following are and remain satisfied:

(i) [intentionally omitted], and

(ii) the Private Owner Pledged Account remains subject to a first priority security interest in favor of the Initial Member and, in furtherance thereof, is subject to the Private Owner Pledged Control Agreement in form and substance (including as to deviations from the form attached as Exhibit Q hereto) acceptable to the Initial Member that, among other requirements, provides the Paying Agent with full access to such Private Owner Pledged Account (without any right for the Private Owner to provide, other than through the Paying Agent, instructions to the Eligible Institution in respect of any such Private Owner Pledged Account) unless and until the Initial Member provides instructions otherwise to such Eligible Institution.

The Paying Agent will remain responsible for compliance with all obligations of the Paying Agent with respect to each Relevant Account, and will provide, or refrain from providing, instructions to the Eligible Institution in respect thereof as necessary to ensure such compliance. Each party agrees that each Relevant Account established and maintained with an Eligible Institution in accordance with this Section 3.11(b) will, except as expressly provided in this Section 3.11(b), remain subject to all terms and conditions in respect of such Relevant Account in the Transaction Documents (to the same extent as though such Relevant Account were held directly with the Paying Agent).

(c) Subject to the written consent of each of the Company (as to the Company Accounts), the Private Owner (as to the Private Owner Pledged Account), the Initial Member (as to all such accounts), as an alternative to Section 3.11(b) above, each Relevant Account may be a segregated trust or custodial account established and maintained as a securities account with the Paying Agent (with the Paying Agent being the “securities intermediary” as defined in the UCC with respect to each such account), in which case, (i) [intentionally omitted], (ii) the Private Owner

Pledged Account will remain subject to a first priority security interest in favor of the Initial Member and, in furtherance thereof, will be subject to the Private Owner Pledged Control Agreement in form and substance (including as to deviations from the form attached as Exhibit Q hereto) acceptable to the Initial Member, (iii) for each such Relevant Account, the Paying Agent will establish (and maintain) a separate corresponding deposit account with an Eligible Institution, opened (and maintained) by, and under the sole control of, the Paying Agent for the benefit of the relevant beneficiary of such account (the Company or the Private Owner, as applicable), with the name of such deposit account clearly indicating such beneficiary and with deposits and all assets credited in such deposit account being “financial assets” (as defined in Section 8-102(a) of the UCC) held through the corresponding Relevant Account, and (iv) for any such Relevant Account and on any Business Day, any funds (or standing credit balance) not then subject applicable investment directions pursuant to Section 4.1 (or another applicable provision herein) for investment in Permitted Investments (other than pursuant to this clause (iv)), will be deposited in the corresponding deposit account at such Eligible Institution (with such deposit being deemed an additional “Permitted Investment”). The reasonable costs of the Paying Agent for opening and maintaining any such deposit accounts with the Eligible Institution will be borne by the Company (other than as to the Private Owner Pledged Account, which expenses will be borne by the Private Owner). Each party agrees that each Relevant Account established and maintained as a securities account in accordance with this Section 3.11(c) will, except as expressly provided in this Section 3.11(c), remain subject to all terms and conditions in respect of such Relevant Account in the Transaction Documents.

(d) Each of the Company, the Private Owner and the Initial Member have approved, pursuant to Section 3.11(c) above (and subject to the conditions therein, other than such consent, being satisfied) (i) the formation of each of the Company Accounts and Private Owner Pledged Account as a segregated trust or custodial account established and maintained as a securities accounts with the Paying Agent, and (ii) use of one of either Wells Fargo Bank, N.A. and JPMorgan Chase Bank, N. A., as selected by the Paying Agent (and in either case, for so long as it remains an Eligible Institution) as the applicable Eligible Institution for purposes of the corresponding deposit accounts for such initial Company Accounts and Private Owner Pledged Account being established pursuant to, or in connection with, this Agreement, with such corresponding deposit accounts to be established (and thereafter available for deposits) within 45 days after the Closing Date. As of the Closing Date, such Relevant Accounts and corresponding deposit accounts with such applicable Eligible Institution (including account names and numbers) are listed in Exhibit P hereto; provided, if any such corresponding deposit account is not yet established as of the Closing Date, the Paying Agent will provide to the Company, the Private Owner and the Initial Member the applicable account information promptly after such deposit account is established. Each of the Company (as to the Company Accounts) and the Private Owner (as to the Private Owner Pledged Account) hereby confirms that it has provided to the Paying Agent investment instructions for investments in Permitted Investments (including, where applicable, in Permitted Investments of an overnight nature) in respect of all funds deposited, or to be deposited, in the Relevant Accounts from the Closing Date through at least 45 days after the Closing Date; and the Paying Agent confirms receipt of such investment instructions.

**ADDITIONAL PROVISIONS RELATED TO THE ACCOUNTS**

Section 4.1 Investment of Funds in Accounts.

(a) The Company or the Private Owner, as applicable, may, at any time or from time to time, direct the Paying Agent to, and, upon receipt of such investment direction, the Paying Agent will, invest amounts received and retained in the Collection Account, the Working Capital Reserve Account, the Capital Improvement Account, the Distribution Account (as provided in Section 3.2(a) or the Private Owner Pledged Account, as applicable, as so directed in Permitted Investments. In each case, such investment directions may be in the form of standing instructions, and may further include standing instructions for deposit of otherwise uninvested amounts in Permitted Investments of an overnight nature. If the Company or the Private Owner, as applicable, does not give any such investment directions, the Paying Agent is to seek investment directions from such Person. If the Company or the Private Owner, as applicable, does not provide the Paying Agent with investment directions pursuant to Sections 3.1, 3.5, 3.6, 3.9 or 4.1, the balance standing to the credit of the Collection Account, the Working Capital Reserve Account, the Capital Improvement Account or the Private Owner Pledged Account, as applicable, will, except as otherwise expressly provided herein, remain uninvested with no liability for interest thereon. It is agreed and understood that the Paying Agent may earn fees associated with Permitted Investments.

(b) Whenever the Paying Agent is directed or authorized in accordance with the terms of this Section 4.1 to make a transfer of funds among the Accounts, after application of all other available funds, the Paying Agent is to allocate to the Account to which such funds are to be transferred a portion of any Permitted Investment that would otherwise have to be liquidated to accomplish such transfer in an amount corresponding to the amount to be so transferred. Whenever the Paying Agent is directed or authorized in accordance with the terms of this Agreement to make a transfer of funds from the Accounts (unless such transfer is between the Accounts), if, after application of all other available funds, liquidation of a Permitted Investment is necessary to make any such transfer, the Paying Agent is authorized to liquidate such Permitted Investment. If any Permitted Investment so liquidated is then allocated to more than one Account, and it is not possible to liquidate only the portion of such Permitted Investment allocated to the Account from which such transfer is to be made, then the entire Permitted Investment is to be liquidated, and the proceeds of such liquidation are to be allocated to the Accounts involved in the same proportion as the allocation of such Permitted Investment, except that the net costs and expenses, if any, of such liquidation (including any loss of principal) are to be allocated entirely to the Account from which the transfer of funds was required to be made. The Paying Agent is to liquidate all those Permitted Investments that can be liquidated without interest cost or penalty before it liquidates any Permitted Investment the liquidation of which would involve an interest cost or penalty. The Paying Agent will have no liability with respect to any interest cost or penalty on the liquidation of any Permitted Investment pursuant to this Section 4.1.

(c) The Paying Agent will have no liability with respect to Permitted Investments (or any losses resulting therefrom) made at the direction of the Company or the Private Owner, as applicable, pursuant to this Agreement.

(d) All references in this Agreement to the Accounts and to cash, moneys or funds therein or balances thereof are to include the investments in which such cash, moneys or funds therein or balances thereof are invested.

(e) The Paying Agent may execute any investment directions provided to it in respect of the Permitted Investments through its Affiliates, and neither the Paying Agent nor its Affiliates will have a duty to monitor the investment rating of any such Permitted Investments. The Paying Agent will have no obligation to invest or reinvest any funds if all or a portion of such funds are deposited with the Paying Agent after 11:00 a.m. New York City time on the day of deposit. Directions to invest or reinvest that are received after 11:00 a.m. New York City time are to be treated as if received on the following Business Day in New York City. Subject to Section 4.1(b), the Paying Agent will have the power to sell or liquidate Permitted Investments whenever the Paying Agent is required to make a transfer pursuant to the terms of this Agreement. The Paying Agent will have no responsibility for any investment losses resulting from the investment, reinvestment or liquidation of any funds in accordance with the terms of this Agreement.

Section 4.2 Interest. Any interest or other earnings accrued on any balances in any Account or on any investment thereof are to be credited to and accumulated in such Account and thereafter be applied without differentiation from other funds in such Account. Any losses incurred from the investment of the balances in any Account or the liquidation of any such investment are to be charged to such Account. Promptly after the end of each Due Period, the Paying Agent is to determine and report to the Manager the net interest or other earnings credited, or the net loss charged, to the Collection Account (in respect of investments of the funds therein) during such Due Period.

Section 4.3 Inadequately Identified Amounts. If the Paying Agent receives any amount that is inadequately or incorrectly identified and the Paying Agent is unable to determine the Account into which such amount is to be credited, the Paying Agent is to notify the Company, the Initial Member and the Private Owner and is to request instructions as to the Account into which such amount should be credited. The Paying Agent is to credit such amount to the Collection Account until such time as it receives instructions from the Company (with the written consent of the Initial Member) stating that such amount should be credited to another Account in accordance with this Agreement, in which case it is to credit such amount, if still available, to the Account so designated by the Company (with the written consent of the Initial Member).

Section 4.4 Payment Procedures. All amounts that from time to time are distributable by the Paying Agent from the Distribution Account in accordance with this Agreement are to be paid by the Paying Agent from amounts on deposit in such account on the related Distribution Date, in immediately available funds (but not before such amounts become immediately available to it). All payments made by the Paying Agent are to be made to such accounts as the Company designates in writing in accordance with the Cash Flow and Distribution Report and this Agreement.

Section 4.5 Closing of Company Accounts; Distributions following Final Monthly Distribution. Promptly following the Final Monthly Distribution, the Company is to close each

Company Account other than the Working Capital Reserve Account; and thereafter, (a) any further Asset Proceeds received by or on behalf of the Company are to be deposited into the Working Capital Reserve Account (subject to the same timing and other requirements pursuant to the Transaction Documents as would otherwise be applicable for deposit of such Asset Proceeds into the Collection Account), and (b) any further distributions (including, as applicable, the Final Distribution) and payments are to be made directly from the Working Capital Reserve, based on instructions provided by the Manager pursuant to Section 9.2 of the LLC Operating Agreement and subject to the same requirements and allocations as would otherwise be applicable pursuant to this Agreement for making such distributions from the Distribution Account. The Company will close the Working Capital Reserve Account promptly following the Final Distribution.

## ARTICLE V DISTRIBUTIONS

### Section 5.1 Priority of Payments.

(a) On each Distribution Date (by not later than 11:00 a.m. New York City time), the Paying Agent is to disburse amounts transferred to the Distribution Account from the Collection Account pursuant to Section 3.2 in accordance with the priorities set forth in Section 5.1(b) (the “**Priority of Payments**”) and pursuant to the Distribution Date instructions contained in the Cash Flow and Distribution Reports delivered pursuant to Section 11.3. Notwithstanding anything in this Agreement to the contrary, however, the Paying Agent is to take disbursement instructions from the Initial Member with respect to the distributions payable to the Private Owner or the Manager, as applicable, pursuant to such Priority of Payments (including any of clauses (iii), (iv) or (x) of Section 5.1(b)) upon the delivery of written notice substantially in the form attached to this Agreement as Exhibit R (a “**PO/Manager Distribution Instruction**”) from the Initial Member to the Paying Agent providing that such distributions should instead be paid to (or at the direction of) the Initial Member (as further indicated in such PO/Manager Distribution Instruction) pursuant to the terms of (and exercise by the Initial Member of remedies under) the LLC Operating Agreement (in connection with a Default or Event of Default thereunder), to the Paying Agent providing that such distributions should be suspended, withheld or otherwise remitted for payment of (or to be held as security for) Private Owner Obligations pursuant to the terms of (or exercise of remedies under) the LLC Operating Agreement or the Insurance Schedule (it being understood that the foregoing provisions of this sentence will not apply absent delivery of such PO/Manager Distribution Instruction). The instructions pursuant to any such PO/Manager Distribution Instruction will remain in effect (subject to any express provisions thereof or further PO/Manager Distribution Instruction superseding the same) unless and until the Initial Member delivers a notice to the Paying Agent substantially in the form attached to this Agreement as Exhibit S (a “**PO/Manager Distribution Reinstatement Notice**”) with applicable instructions permitting reinstatement of such distributions to the Private Owner and the Manager, as applicable, in which case the Paying Agent will so reinstate such distributions to the Private Owner and the Manager, as applicable (including as to any previously suspended or withheld distributions not otherwise remitted pursuant to applicable instructions from the Initial Member), to the extent provided in such PO/Manager Distribution Reinstatement Notice (and the Initial Member agrees that, following the cure (to its satisfaction) of all applicable Defaults or Events of Default under the LLC Operating Agreement (or other circumstances) that resulted in delivery of the applicable

PO/Manager Distribution Instruction and satisfaction of any other express conditions with respect thereto (and so long as no other applicable Default or Event of Default under the LLC Operating Agreement has occurred and is continuing), it is to issue to the Paying Agent an applicable PO/Manager Distribution Reinstatement Notice so permitting such reinstatement). For avoidance of doubt, in no event will delivery of any such PO/Manager Distribution Instruction reduce or delay any applicable distributions to the Initial Member, and the Paying Agent is to continue to make applicable distributions to the Initial Member of its allocable portion of Distributable Cash on each Distribution Date in accordance with the applicable provisions in Section 5.1(b) and the applicable Cash Flow and Distribution Reports. The Initial Member is to deliver a copy of any such PO/Manager Distribution Instruction or PO/Manager Distribution Reinstatement Notice to each of the Company, the Manager and the Private Owner concurrently with or following delivery of such PO/Manager Distribution Instruction to the Paying Agent; and the Company (or, if applicable pursuant to Section 11.3, the Initial Member) is to cause the same to be duly reflected in each applicable Cash Flow and Distribution Report (commencing with the Distribution Date following delivery of such PO/Manager Distribution Instruction or PO/Manager Distribution Reinstatement Notice, as the case may be), it being understood that the Paying Agent is to comply with any applicable PO/Manager Distribution Instruction or PO/Manager Distribution Reinstatement Notice delivered to the Paying Agent notwithstanding the failure of the Company to cause the same to be reflected in any such Cash Flow and Distribution Report. For purposes of any determinations with respect to amounts payable to the Private Owner or the Manager under the Transaction Documents (including any accrual of interest), (I) amounts otherwise payable to the Private Owner or the Manager that are suspended, withheld or remitted pursuant to any PO/Manager Distribution Instruction will be deemed to have been paid to the Private Owner or the Manager, as applicable, on such date the same would have been paid but for application of such PO/Manager Distribution Instruction, and (II) any amounts paid to the Private Owner or the Manager on account of any suspended or withheld distributions (but not future distributions) in connection with any PO/Manager Distribution Reinstatement Notice are to be disregarded. Any amounts (otherwise payable to the Private Owner, including as the Manager) held by the Paying Agent pursuant to any PO/Manager Distribution Instruction will remain part of the Secured Assets, and, for purposes of the security interest granted by the Private Owner in such Secured Assets, the Paying Agent is to hold (and agrees to so hold) such amounts for the benefit of, and as collateral agent for, the Initial Member and the other Indemnified Parties, at all times subject to any instructions from the Initial Member as may be included in a separate PO/Manager Distribution Instruction with respect to further disposition thereof.

(b) On each Distribution Date, all funds in the Distribution Account as described in Section 11.3 are to be distributed in the following order of priority (using (for purposes of clause (v) below) the Working Capital Reserve Target specified for such Distribution Date in the Cash Flow and Distribution Report for such Distribution Date but otherwise as determined as of the close of business on the Determination Date with respect to such Distribution Date):

(i) first, to pay the fees and expenses of the Custodian and Paying Agent, including any indemnification payments owing to the Custodian and Paying Agent pursuant to Section 13.1, in accordance with the terms of this Agreement;

(ii) second, [intentionally omitted];

(iii) third, (A) for each Due Period during the Interim Servicing Period, to pay to (1) the Transferor the Interim Servicing Fee with respect to such Due Period, together with any unpaid portion of the Interim Servicing Fee with respect to any prior Due Period, and (2) the Manager the Interim Management Fee with respect to such Due Period, together with any unpaid portion of the Interim Management Fee for any prior Due Period, and (B) for each Due Period following the Interim Servicing Period, to pay to the Manager an amount equal to the Management Fee with respect to such Due Period, together with any unpaid portion of the Management Fee for any prior Due Period;

(iv) fourth, to repay any Excess Working Capital Advances made by the Manager pursuant to Section 5.5 of the LLC Operating Agreement and Section 3.7;

(v) fifth, prior to the Final Distribution, to replenish (A) first, the Working Capital Reserve (by means of a deposit into the Working Capital Reserve Account) until the amount of funds held in the Working Capital Reserve Account is equal to the Working Capital Reserve Target, and (B) second, the Capital Improvement Fund (by means of a deposit into the Capital Improvement Account) until the amount of funds held in the Capital Improvement Account is equal to the Capital Improvement Fund Target;

(vi) sixth, [intentionally omitted];

(vii) seventh, [intentionally omitted];

(viii) eighth, [intentionally omitted];

(ix) ninth, [intentionally omitted]; and

(x) finally, to be distributed to the Initial Member and the Private Owner (as distributions with respect to their respective LLC Interests) in accordance with Section 6.6 of the LLC Operating Agreement.

(c) [Intentionally Omitted].

(d) Notwithstanding anything set forth in Section 5.1(b) to the contrary (but subject to the rights of the Initial Member set forth in Section 5.1(a) and any further instructions from the Initial Member pursuant thereto), in connection with the issuance by the Initial Member of a Clean-Up Call Notice, as and to the extent so directed by the Initial Member in its sole discretion (with delivery of written instructions to the Paying Agent, which may be in the form of a copy of such Clean-Up Call Notice including such instructions), the Paying Agent is to suspend or withhold any or all further distributions from the Distribution Account to the Initial Member or the Private Owner with respect to their respective LLC Interests (pursuant to Section 5.1(b)(x)) until the Final Monthly Distribution (to occur following the winding-up and liquidation or applicable permitted distribution of all remaining Company Property other than any applicable reserves to be held in the Working Capital Reserve pursuant to Section 9.2(c) of the LLC Operating Agreement) or such earlier date as permitted by the Initial Member in its sole discretion. All such suspended or withheld distributions to the Initial Member or the Private Owner with respect to

their respective LLC Interests pursuant the foregoing sentence instead are to be deposited into the Collection Account.

**Section 5.2 Notices of Payment Failure.**

(a) The Paying Agent is to deliver prompt written notice to the Company if it fails to receive in full on the related Distribution Date (based on the Cash Flow and Distribution Report), the amount required to be paid by the Company on any Distribution Date, which notice is to include a statement that the required payment was not made by the Company in full and is to set forth the amount of such required payment and, in the case of receipt of a partial payment, the amount of such partial payment.

(b) If the Paying Agent has actual knowledge of any actual payment failure in advance of the related Distribution Date, it is to deliver written notice thereof to the Company as soon as is practicable in accordance with Section 5.2(a).

**ARTICLE VI  
CUSTODIAL DOCUMENTS**

**Section 6.1 Delivery of Custodial Documents.**

(a) Delivery. Pursuant to Section 3.1 of the Transfer Agreement, the Transferor (i) is required to deliver or cause to be delivered to the Custodian, as soon as is practicable after the Agreement Date and at the expense of the Company (which expense will constitute a Pre-Approved Charge), the Notes and other Custodial Documents (other than the Transfer Documents), to the extent they are in the possession of the Transferor or any of its employees or contractors (and have actually been located and separately collected as of, or at the discretion of the Transferor after, the Closing Date for delivery under the Transfer Agreement), with (A) the Transferor having the right to deliver any electronic format Custodial Documents by making the same available for download, for a limited period of time determined by the Transferor, through a secure website or electronic sharing platform selected by the Transferor (in which case, the Transferor may further require that the Company download and deliver such electronic format Custodial Documents to the Custodian), and (B) delivery of any Custodial Documents separately located or collected by the Transferor after the Closing Date occurring as soon as reasonably practicable after such Custodial Documents are separately located and collected, and (ii) may, but is not required to, deliver all or some portion of the Transfer Documents to the Custodian on or about the Agreement Date (or within a reasonable period of time after the Closing Date as specified by the Transferor by written notice to the Company delivered on the Closing Date, if any, as to Transfer Documents, if any, to be delivered by Transferor). As soon as practicable after the Agreement Date (and in any event in accordance with Sections 3.1 and 3.2 of the Transfer Agreement), the Company is to deliver or cause to be delivered to the Custodian (I) the Transfer Documents, to the extent that the Transferor does not deliver all the Transfer Documents to the Custodian on or about the Closing Date (or within a reasonable period of time after the Closing Date as specified by the Transferor by written notice to the Company delivered on the Closing Date) and (II) the Custodial Documents (other than the Transfer Documents) in existence as of the Closing Date, to the extent that the Transferor does not deliver or cause to be delivered the same on or about the Closing Date, and to

the extent that they can reasonably be obtained (and in any event subject to the last sentence of Section 6.1(e)). Documents to be delivered to the Custodian pursuant to this Section 6.1(a) are to be delivered at the office of the Custodian at 1055 SE 10th Avenue, Minneapolis, Minnesota 55414 Attention: Document Custody Group SIG RCRS D MF (the “**Office**”). Without limitation of the foregoing, the Company is to deliver a notice to the Custodian when it considers itself to have complied with the obligation set forth in the second sentence of this Section 6.1(a).

(b) Collateral Certificate; Exceptions. The Custodian is to make available during normal business hours, and at such other hours as may be reasonable in the circumstances, (i) to representatives of the Transferor (and, if the Transferor so determines, the Company) office space at the Office that is sufficient to accommodate up to six people to review the Custodial Documents to be delivered, or delivered, by the Transferor pursuant to Section 6.1(a) with representatives of the Custodian for a period (not to exceed ten days) specified by the Transferor upon reasonable prior notice to the Custodian, and (ii) to representatives of the Company (and, if the Company so determines, of the Transferor) office space at the Office that is sufficient to accommodate up to six people to review the Custodial Documents to be delivered, or delivered, by the Company pursuant to Section 6.1(a) with representatives of the Custodian for a period (not to exceed ten days) specified by the Company upon reasonable prior notice to the Custodian. Within seventy-five days after notice from the Transferor that it has delivered to the Custodian all of the Custodial Documents that it intends to deliver to the Custodian pursuant to Section 3.1 of the Transfer Agreement, the Custodian is to execute and deliver to the Company and the Initial Member a certificate, substantially in the form attached to this Agreement as Exhibit E (including an Asset Schedule and Exception List) (a “**Collateral Certificate**”). Further, within forty-five days after the Custodian’s receipt of the notice from the Company described in the last sentence of Section 6.1(a) (or, if earlier, within forty-five days after the first anniversary of the Agreement Date), the Custodian is to execute and deliver to the Company and the Initial Member a new Collateral Certificate (including a new Asset Schedule and Exception List). In reviewing the documents provided with respect to an Asset, the Custodian is to examine the same and determine, with respect to each such document, whether (I) it meets the Review Criteria and (II) it (A) appears regular on its face (*i.e.*, is not mutilated, damaged, torn, defaced or otherwise physically altered), (B) relates to the Asset to which it purports to relate, (C) has been executed by the named parties thereon, (D) where applicable, purports to be recorded, and (E) appears to be what it purports to be. Each Collateral Certificate delivered pursuant to this Agreement must certify to all of the Custodial Documents received up to and including the date of such Collateral Certificate.

(c) Custodial Documents. For each Asset, to the extent applicable, the “Custodial Documents” will include (and the term “**Custodial Documents**” will mean) the following:

(i) either (A) the original Note bearing all intervening endorsements (including through allonges attached thereto) and endorsed (including through an allonge attached thereto) “PAY TO THE ORDER OF SIG RC RS D MF 2023 Venture LLC, WITHOUT RECOURSE AND WITHOUT REPRESENTATION OR WARRANTY, EXPRESS, IMPLIED OR BY OPERATION OF LAW, OF ANY KIND OR NATURE WHATSOEVER” and signed in the name of the Federal Deposit Insurance Corporation as the receiver for the Failed Bank, or (B)

in the event that the original Note is not available, a fully executed Assignment and Lost Instrument Affidavit (in the form of Attachment F to the Transfer Agreement);

(ii) the original or a copy (subject to Section 6.1(e) below) of the Mortgage with evidence of recording thereon, a certified copy thereof from the applicable Recording Office, or a copy thereof together with an officer's certificate of the related Borrower, title company, escrow agent or closing attorney certifying that such represents a true and correct copy of the original and that such original has been submitted for recordation in the applicable Recording Office (provided that Custodian will continue to cite an exception until the recorded document is received);

(iii) the originals or copies (subject to Section 6.1(e) below) of all assumption, Modification, consolidation or extension agreements (if any) with evidence of recording thereon, certified copies thereof from the applicable Recording Office, or copies thereof together with a certification by or other similar evidence from the applicable Recording Office or an officer's certificate of the related Borrower, title company, escrow agent or closing attorney certifying that such represents a true and correct copy of the original and that such original has been submitted for recordation in the applicable Recording Office;

(iv) the Acquired Property Files, as applicable;

(v) the Mortgage Assignment to the Company (in the form specified in the Transfer Agreement) signed in the name of the Federal Deposit Insurance Corporation as receiver for the Failed Bank, with evidence of recording thereon, certified copies thereof from the applicable Recording Office, or copies thereof together with an officer's certificate of the title company certifying that such represents a true and correct copy of the original and that such original has been submitted for recordation in the applicable Recording Office;

(vi) the originals of all intervening Mortgage Assignments (if any) with evidence of recording thereon, certified copies thereof from the applicable Recording Office, or copies thereof together with an officer's certificate of the title company certifying that such represents a true and correct copy of the original of each such intervening Mortgage Assignment and that such original has been submitted for recordation in the applicable Recording Office;

(vii) [intentionally omitted];

(viii) the original or a copy (subject to Section 6.1(e) below) of the attorney's opinion of title and abstract of title or the original mortgage title insurance policy or, if the original mortgage title insurance policy has not been issued, the irrevocable commitment to issue the same or a true and correct copy of the title policy from the issuing title company;

(ix) the originals or copies (subject to Section 6.1(e) below) of all Collateral Documents executed in connection with the Asset;

(x) Uniform Commercial Code financing statements with recording information thereon from the Recording Offices if necessary to perfect the security interest of the Asset under the Uniform Commercial Code;

- (xi) [intentionally omitted];
- (xii) any bailee letters regarding any Notes or other Custodial Documents held by the bailee;
- (xiii) [intentionally omitted];
- (xiv) with respect to any Acquired REO Property the original or a copy of the attorney's opinion of title and abstract of title or the original owner's title insurance policy or, if the original owner's title insurance policy has not been issued, the irrevocable commitment to issue the same or a true and correct copy of the title policy from the issuing title company;
- (xv) the originals of all leases related to any Asset;
- (xvi) with respect to any Loan, the Omnibus Loan Assignment to the Company (in the form specified in the Transfer Agreement) signed in the name of the Federal Deposit Insurance Corporation as receiver for the Failed Bank; and
- (xvii) (A) the original or (if such original copy is retained by the relevant recording or filing office) a copy of each other Transfer Document (with evidence of recording or filing thereon), not described in any of the foregoing clauses (i) through (xvi), executed in connection with the Asset, if any, together (in the case of a copy) with a certificate of the related Servicer (or Subservicer) or the foreclosure attorney certifying that such document of assignment, conveyance of transfer is a true, correct and complete copy of the original document (and that such original has been retained by the relevant recording or filing office), and (B) such other documents for each Asset as determined by the Company.

(d) Supplemental Deliveries. The Company is to deliver or cause to be delivered to the Custodian any and all Custodial Documents (in addition to those delivered pursuant to Section 6.1(a)) within ten days following the execution and delivery, receipt or other generation by or on behalf of the Company or any Ownership Entity of any such Custodial Document at any time after the Closing Date or (with respect to any Custodial Document that was not initially provided pursuant to Section 6.1(a) because it had not then been located or otherwise was not available) such Custodial Document otherwise first having been located or becoming available. All such deliveries of Custodial Documents pursuant to this Section 6.1(d) are to be accompanied by a certificate in the form of Exhibit G (a "**Supplemental Delivery Certificate**"), prepared by an Authorized Representative of the Company, itemizing the Custodial Documents being delivered to the Custodian in such delivery and identifying the Asset with respect to which each such Custodial Document relates. After the receipt of any additional Custodial Documents, the Custodian is to (i) examine such additional Custodial Documents and determine, with respect to each such document, whether (A) it meets the Review Criteria and (B) it (1) appears regular on its face (*i.e.*, is not mutilated, damaged, torn, defaced or otherwise physically altered), (2) relates to such Asset, (3) has been executed by the named parties thereon, (4) where applicable, purports to be recorded, and (5) appears to be what it purports to be, and (ii) ensure that all such Custodial Documents with respect to an Asset are placed in the file for the related Asset. In the event the Custodian determines that the Supplemental Delivery Certificate is inaccurate, the Custodian is to

so notify the Company in writing no later than the first Business Day following its receipt of the Supplemental Delivery Certificate. Within seven Business Days after the receipt of the additional Custodial Documents by the Custodian, the Custodian is to provide the Company with a new Collateral Certificate (including a new Asset Schedule and Exception List); provided, however, that, if the Custodian has not yet delivered the first Collateral Certificate pursuant to Section 6.1(b), the Custodian instead will reflect such Custodial Document in such initial Collateral Certificate when delivered.

(e) Asset Schedules; Exception Lists; Review Criteria. Each Asset Schedule and Exception List is to list all Exceptions using such codes as are in form and substance agreed to by the Custodian and the Company. Each Asset Schedule and Exception List delivered by the Custodian to the Company will supersede and cancel the Asset Schedule and Exception List previously delivered by the Custodian to the Company pursuant to this Agreement, and will replace the then existing Asset Schedule and Exception List to be attached to the Collateral Certificate. Notwithstanding anything to the contrary in this Section 6.1, if the Asset Schedule and Exception List attached to the Collateral Certificate is different from the Asset Schedule and Exception List most recently delivered to the Company, then the most recently delivered Asset Schedule and Exception List will control and be binding upon the parties to this Agreement. A copy of each Asset Schedule and Exception List delivered to the Company is to be delivered contemporaneously to the Initial Member. The delivery of each Asset Schedule and Exception List to the Company will constitute the Custodian's representation (to each of the Company and the Initial Member) that, other than the Exceptions listed as part of the last delivered Asset Schedule and Exception List: (i) all documents required to be delivered in respect of an Asset pursuant to Section 6.1(c) have been delivered and are in the possession of the Custodian as part of the Custodial Documents; (ii) all such documents have been reviewed and examined by the Custodian in accordance with the review procedures specified in this Agreement and (A) meet the Review Criteria and (B) appear on their face to be regular and to relate to such Asset and to satisfy the requirements set forth in Section 6.1(c); and (iii) each Asset identified on such Asset Schedule and Exception List is being held by the Custodian as the bailee for the Company. In connection with an Asset Schedule and Exception List delivered pursuant to this Section 6.1(e) by the Custodian, the Custodian is to make no representations as to and will not be responsible for verifying, except as set forth in Sections 6.1(b) and 6.1(d) of this Agreement, (I) the validity, legality, enforceability, due authorization, recordability, sufficiency or genuineness of any of the Custodial Documents or (II) the collectability, insurability, effectiveness or suitability of any such Asset. To the extent that any of the documents or materials required to be provided by the Company to the Custodian pursuant to Sections 6.1(c)(ii), (iii), (vi), (viii) and (ix) are not available as originals or as certified copies and the absence of such item would not, in the reasonable judgment of the Company, affect the value of the Asset or the ability to enforce the rights of the mortgagee (and the Manager is not otherwise required to do so in order to comply with the Servicing Obligations), the Company will not be required to expend more than nominal funds to provide such original or certified copies unless or until they are necessary for the enforcement of such rights; provided that until such original or certified copies are delivered, the Company will ensure that an ordinary copy (which may be in electronic format) has been delivered to, and is held by, the Custodian as part of the Custodial Documents. Where under all applicable Law and customary practice, a document executed and delivered by electronic means (and with digital or electronic signatures) has the same legal effect as an original (including for any relevant filing or enforcement purpose), such

document, as so executed and delivered by electronic means and in such form as required for having the same legal effect as an original, may be treated as an original hereunder; and in such case applicable records (including any Collateral Certificate or Supplemental Delivery Certificate) will indicate the electronic nature of the document (and any relevant specific electronic service or authentication information) and such treatment as an original.

Section 6.2 Examination of Custodian Files; Copies.

(a) Upon reasonable prior written notice to the Custodian, the Company, and its agents, accountants, attorneys and auditors, and any other Persons designated by the Company in writing as authorized to access and review the Custodial Documents, will be permitted during normal business hours to examine the Custodial Documents.

(b) Upon the request, and at the cost and expense, of the Company, the Custodian is to provide copies of any requested Custodial Documents; provided, however, that the Company is to reimburse the Custodian for the actual, reasonable and customary costs incurred in providing copies of such Custodial Documents.

Section 6.3 Shipment of Custodial Documents. Prior to any shipment of any Custodial Documents pursuant to this Agreement, the Company is to deliver to the Custodian written instructions as to the method of shipment and the shipper that the Custodian is to utilize in connection with the transmission of such Custodial Documents. The Company is to arrange for the provision of such services at its sole cost and expense (or, at the Custodian's option, reimburse the Custodian for all costs and expenses incurred by the Custodian consistent with such instructions) and is to maintain such insurance against loss or damage to the Custodial Documents as the Company may deem appropriate. It is expressly agreed that in no event will the Custodian have any liability for any losses or damages to any Person, including the Company, arising out of actions of the Custodian pursuant to this Section 6.3 consistent with the instructions of the Company. In the event that the Custodian does not receive such written instructions, the Custodian will be authorized and will be indemnified as provided in this Agreement to utilize a nationally recognized courier service.

## **ARTICLE VII CUSTODIAN**

Section 7.1 Appointment of the Custodian. Subject to the terms and conditions of this Agreement, the Company appoints the Bank to perform the duties of the Custodian, and the Bank accepts such appointment as the Custodian, to act as the Company's agent, custodian and bailee to hold and maintain custody of the Custodial Documents.

Section 7.2 Obligations of the Custodian.

(a) Maintenance of Custody. The Custodian is to (i) segregate, hold and maintain continuous custody of all Custodial Documents received by it in trust for and for the benefit of the Company in secure and fire resistant facilities and in accordance with customary controls on access regarding the safety and security of the Custodial Documents, (ii) act with the

same degree of care and skill that the Custodian exercises with respect to any loan files relating to similar loans owned, serviced or held as custodian by the Custodian, and, in any event, without negligence, lack of good faith, or willful misconduct, in connection with the actions taken hereunder, (iii) reflect in its records the interest of the Company therein, (iv) make disposition of the Custodial Documents only in accordance with the provisions of this Agreement, and (v) hold all Custodial Documents received by it for the exclusive use and benefit of the Company, and make disposition thereof only in accordance with written instructions furnished by the Company. In the event that the Custodian moves any Custodial Documents from the state where the Custodial Documents are initially kept pursuant to this Agreement, the Custodian must provide prompt written notice to the Company of the location of such Custodial Documents.

(b) [Intentionally Omitted].

(c) Qualification to Conduct Business. Nothing contained in this Agreement will be construed to require the Custodian to qualify to do business in any jurisdiction other than (i) any jurisdiction in which any Custodial Document is or may be held by the Custodian from time to time under this Agreement or (ii) any jurisdiction in which the ownership of its property or the conduct of its business requires such qualification and in which the failure to qualify could have a material adverse effect on the Custodian or its property or business or on the ability of the Custodian to perform its duties and obligations under this Agreement.

(d) [Intentionally Omitted].

(e) Third Party Demands. In the event that (i) the Company or the Custodian is served by a third party with any type of levy, attachment, writ or court order with respect to any Custodial Document or (ii) a third party institutes any court proceeding by which any Custodial Document is required to be delivered otherwise than in accordance with the provisions of this Agreement, the party receiving such service promptly must deliver or cause to be delivered to the other parties to this Agreement copies of all court papers, orders, documents and other materials concerning such proceedings. The Custodian, to the extent permitted by Law, is to continue to hold and maintain all of the Custodial Documents that are the subject of such proceedings pending a final, nonappealable order of a court of competent jurisdiction permitting or directing disposition thereof. Upon final determination of such court, the Custodian will release such Custodial Documents as directed by the Company, which is to give a direction consistent with such court determination.

(f) Release of Custodial Documents. Subject to the provisions of Section 7.2(e), the Custodian must retain the Custodial Documents in its possession and custody at all times during the term of this Agreement unless any one of the following events occurs:

(i) If the Custodian resigns or is removed in accordance with the provisions of Section 9.1, the Custodian is to deliver the Custodial Documents to the successor Custodian in accordance with Section 9.1.

(ii) If the Custodian receives a notice in the form of Exhibit H from an Authorized Representative of the Company stating that the Company has received all amounts due under an Asset, or a discounted payoff as payment in full of such Asset, the Custodian is to release the related Custodial Documents to the Company or to the Manager in accordance with the instructions provided in such notice.

(iii) If the Custodian receives notice in the form of Exhibit H from an Authorized Representative of the Company that the Company or the Private Owner needs the Custodial Documents in order to foreclose on a Mortgaged Property, accept a deed in lieu thereof or modify or restructure the terms thereof, the Custodian is to release the related Custodial Documents to the Company or the Manager in accordance with the instructions provided in such notice.

(iv) If the Custodian receives notice in the form of Exhibit H from an Authorized Representative of the Company that the Company has agreed to sell an Asset or the Collateral, the Custodian is to deliver the related Custodial Documents to the Company or to the Manager in accordance with the instructions provided in such notice.

(g) No Other Duties. The Custodian will have no duties or responsibilities as Custodian except those that are specifically set forth in this Agreement and will not be liable except for the performance of such duties and obligations. No implied covenants or obligations are to be read into this Agreement.

(h) No Investigation. The Custodian will be under no obligation to make any investigation into the facts or matters stated in any resolution, certificate, statement, acknowledgement, consent, order or other document that is included in the Custodial Documents.

(i) Cooperation. The Company is to cooperate and use commercially reasonable efforts to provide any additional documentation or information reasonably requested by the Custodian in performing its duties and obligations pursuant to this Agreement.

(j) Survival. The provisions of this Section 7.2 will survive the resignation or removal of the Custodian and Paying Agent and the termination of this Agreement.

## **ARTICLE VIII FEES AND EXPENSES**

Section 8.1 Fees and Expenses. The Bank will charge such fees for its services and be reimbursed for such of its expenses pursuant to this Agreement as are set forth on Exhibit J, which fees and expenses must be reasonable and customary and which fees and expenses are not to include any attorneys' or other professionals' fees and expenses. The Company shall pay such fees and expenses other than any fees and expenses in connection with the Private Owner Pledged Account, which such fees and expenses will be the responsibility of the Private Owner. In furtherance of the foregoing, if and to the extent that any fees or expenses in connection with the Private Owner Pledged Account are paid pursuant to Section 5.1(b) instead of being separately paid by the Private Owner, the Paying Agent is to notify the Initial Member and the Private Owner

of such payment and the Private Owner forthwith is to make a deposit (from its own funds) into the Collection Account of an amount equal to the amount of such fees or expenses, and to the extent that the Private Owner fails to make such payment in full by the end of the month following receipt of such notice by the Initial Member, at the direction of the Initial Member, the Paying Agent is to deposit into the Collection Account on each succeeding Distribution Date an amount equal to any such outstanding deposit obligation of the Private Owner (after giving effect to any prior deposits into the Collection Account pursuant to this Section 8.1) (as specified by the Initial Member to the Paying Agent) by deducting such deposit amount from the amounts that otherwise would have been distributed to the Private Owner (including as Manager) pursuant to Section 5.1(b). Upon the resignation or removal of the Bank as Custodian or Paying Agent or the termination or assignment (“**Termination**”) of this Agreement, all fees and expenses as described in this Section 8.1 also will terminate as of the date of Termination; provided, however, that the Bank will be entitled to receive fees and expenses accruing prior to the date of Termination. Nothing in this Section 8.1 is to be construed to limit in any way the right of the Bank, in its respective capacities as Custodian and Paying Agent, to receive indemnification and reimbursement from the Company and the Private Owner, as applicable, pursuant to Section 13.1.

## **ARTICLE IX REMOVAL OR RESIGNATION**

### Section 9.1 Removal or Resignation of Custodian and Paying Agent.

(a) Resignation. Subject to the provisions of Section 9.1(c), the Bank at any time may resign and terminate its obligations as the Custodian and Paying Agent pursuant to this Agreement upon at least sixty days’ prior written notice to the Company, the Initial Member, and the Private Owner. If the Bank so resigns, it must resign as both the Custodian and Paying Agent. Promptly after receipt of notice of the Bank’s resignation as the Custodian and Paying Agent, subject to the provisions of the LLC Operating Agreement as it relates to the Company, the Company is to appoint, by written instrument, a successor Custodian and Paying Agent. If no successor is appointed as the Custodian and Paying Agent within such sixty-day period, the Bank may petition any court of competent jurisdiction to appoint a successor Custodian and Paying Agent.

(b) Removal. Subject to the provisions of Section 9.1(c), the Company may remove and discharge the Bank as the Custodian and Paying Agent (or any successor custodian and paying agent thereafter appointed) without cause from the performance of its obligations pursuant to this Agreement upon at least thirty days’ prior written notice to the Bank. Promptly after giving such notice of removal as the Custodian and Paying Agent, subject to the provisions of the LLC Operating Agreement as it relates to the Company, the Company is to appoint, by written instrument, a successor Custodian and Paying Agent.

(c) Effectiveness. No resignation or removal of the Person serving as Custodian and Paying Agent pursuant to Section 9.1(a) or (b) will be effective prior to the appointment of a successor Custodian and Paying Agent, the acceptance of such appointment by such successor Custodian and Paying Agent and the execution by such successor Custodian and Paying Agent and by the Private Owner (which the Private Owner is to do upon demand of the

Initial Member), and delivery to the Initial Member, of a Private Owner Pledged Account Control Agreement in the form of Exhibit Q or otherwise satisfactory to the Initial Member. Upon appointment of a successor Custodian and Paying Agent, the successor Custodian and Paying Agent is to execute, acknowledge and deliver an instrument accepting such appointment under, and agreeing to be bound by the terms of, this Agreement, at which time the resignation or removal of the predecessor Custodian and Paying Agent will become effective and the successor Custodian and Paying Agent, without any further act, deed or conveyance, will become fully vested with all rights, powers, duties and obligations of the Custodian and the Paying Agent pursuant to this Agreement, as if originally named the Custodian and Paying Agent pursuant to this Agreement. One original counterpart of such instrument is to be delivered to each of the Company, the Initial Member, the Private Owner, the predecessor Custodian and Paying Agent and the successor Custodian and Paying Agent.

(d) Transfer of Documents. In the event of any removal or resignation as Custodian and Paying Agent, the then-incumbent Custodian and Paying Agent promptly is to transfer to the successor Custodian and Paying Agent, as directed, all Custodial Documents, all funds deposited in the Accounts and all executed original counterparts of the Private Owner Pledged Account Control Agreement, in the possession of the Paying Agent, and the Company and the then-incumbent Custodian and Paying Agent are to execute and deliver such instruments and do such other things as might reasonably be required for more fully and certainly vesting and confirming in the successor Custodian and Paying Agent all rights, powers, duties and obligations of the then-incumbent Custodian and Paying Agent as the Custodian and Paying Agent under this Agreement.

(e) Costs. The Company will be responsible for payment to the successor Custodian and Paying Agent of all fees and expenses of the successor Custodian and Paying Agent and any fees and expenses for transferring Custodial Documents and funds deposited in the Accounts to the successor Custodian and Paying Agent except with respect to the Private Owner Pledged Account, the fees and expenses with respect to which are to be paid by the Private Owner.

## **ARTICLE X REPRESENTATIONS, WARRANTIES AND COVENANTS**

### Section 10.1 Representations, Warranties and Covenants.

(a) Each of the Bank as the Custodian and Paying Agent, the Company, the Initial Member and the Private Owner, as applicable, represents and warrants to each other as follows:

(iii) this Agreement has been duly executed and delivered on behalf of it and constitutes a legal, valid and binding obligation of it enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting the enforcement of creditors' rights generally and by general principles of equity (whether enforcement is sought in a proceeding in equity or at Law).

At its own expense, the Custodian and Paying Agent is to maintain at all times and keep in full force and effect (a) fire and other casualty insurance, (b) fidelity insurance, (c) theft of documents insurance, (d) forgery insurance, and (e) errors and omissions insurance. All such insurance is to be in amounts, with standard coverage and subject to deductibles, as are customary for insurance typically maintained by financial institutions which act as paying agent and as custodian of collateral substantially similar to the Custodial Documents. The Company is entitled to receive, upon written request, a certificate of the respective insurer that such insurance is in full force and effect.

In connection with the Final Monthly Distribution and for purposes of all further distributions thereafter, the Cash Flow and Distribution Report will be adjusted in a manner satisfactory to the Paying Agent and the Initial Member, to remove portions thereof that are no longer relevant and to cover appropriately all applicable further distributions from the Working Capital Reserve.

Section 11.4 Distribution Date Instructions. Each Cash Flow and Distribution Report is to contain, or be accompanied by, irrevocable instructions to the Paying Agent to transfer all applicable funds and make all applicable distributions, including, with respect to each Distribution Date through and including the Final Monthly Distribution, for (a) transfer from the Collection Account to the Distribution Account of the amount described in Section 11.3(y)(i) and (b) withdrawal on the related Distribution Date from the Distribution Account and payment or transfer (on such Distribution Date) of the amounts set forth in such report in the manner specified, and in accordance with the priorities established, in Section 5.1.

## **ARTICLE XII NO ADVERSE INTERESTS**

Section 12.1 No Adverse Interests. By execution of this Agreement, the Bank represents and warrants that no Responsible Officer of the Bank has any actual knowledge of any adverse interest, by way of security or otherwise, in any Asset. The Bank will not pledge, encumber, hypothecate, transfer, dispose of, or otherwise grant any third party interest in, any of the Assets pursuant to this Agreement. Notwithstanding any other provisions of this Agreement and without limiting the generality of the foregoing, neither the Custodian nor the Paying Agent (nor any Person claiming by or through either of them) is at any time to exercise or seek to enforce any claim, right or remedy, including any statutory or common law rights of set-off, if any, that the Custodian or the Paying Agent otherwise might have against all or any part of a Custodial Document, Asset or proceeds of either. (a) Except with respect to the Private Owner Pledged Account and, if applicable, any funds or Permitted Investments on deposit in, or credited to, such Account, the Company will indemnify and hold harmless the Custodian and Paying Agent and the directors, officers, agents and employees of the Custodian and Paying Agent from and against any and all Losses of any kind or nature whatsoever that might be imposed on, incurred by, or asserted against

it or them in any way relating to or arising out of this Agreement or any action taken or not taken by it or them pursuant to this Agreement unless such Losses were imposed on, incurred by or asserted against the Custodian and Paying Agent because of the breach by the Custodian and Paying Agent of its obligations pursuant to this Agreement, which breach was caused by negligence, lack of good faith or willful misconduct on the part of the Custodian and Paying Agent or any directors, officers, agents or employees of the Custodian and Paying Agent. The foregoing indemnification will survive any resignation or removal of the Custodian and Paying Agent or the termination or assignment of this Agreement.

(b) The Private Owner will indemnify and hold harmless the Paying Agent and the directors, officers, agents and employees of the Paying Agent from and against any and all Losses of any kind or nature whatsoever that might be imposed on, incurred by or asserted against it or them in any way relating to or arising out of this Agreement with respect to the Private Owner Pledged Account or, if applicable, any funds or Permitted Investments on deposit in, or credited to, such Account, or any action taken or not taken by it pursuant to this Agreement with respect to the Private Owner Pledged Account or, if applicable, any funds or Permitted Investments on deposit in, or credited to, such Account, unless such Losses were imposed on, incurred by or asserted against the Paying Agent because of the breach by the Paying Agent of its obligations pursuant to this Agreement with respect to the Private Owner Pledged Account or, if applicable, any funds or Permitted Investments on deposit in, or credited to, such Account, which breach was caused by negligence, lack of good faith or willful misconduct on the part of the Paying Agent or any directors, officers, agents or employees of the Paying Agent. The foregoing indemnification will survive any resignation or removal of the Paying Agent or the termination or assignment of this Agreement.

(c) If the Custodian fails to produce a Custodial Document that was not identified as an Exception in the then-controlling Asset Schedule and Exception List within two Business Days after required or requested by the Company, and such Custodial Document is not outstanding pursuant to a Request for Release and Receipt of the Custodial Documents in the form of Exhibit H (a “**Custodial Delivery Failure**”), then (i) with respect to any missing Note with respect to which a Custodial Delivery Failure has occurred and has continued in excess of three Business Days, the Custodian promptly is to deliver to the Company upon request a Lost Instrument Affidavit in the form of Exhibit L (unless the original Note has been delivered prior to such time) and (ii) with respect to any missing document related to such Asset, including a missing Note, (A) the Custodian will indemnify the Company in accordance with Section 13.1(d) and (B) at the Company’s option, at any time the long term obligations of the Custodian are rated below the second highest rating category of Fitch Ratings Inc., Moody’s Investors Service, Inc. or S&P Global Ratings, the Custodian is to obtain and maintain an insurance bond naming the Company and its successors in interest and assigns as loss payees, insuring against any losses associated with the loss of such document, in an amount equal to the then-outstanding principal balance of the related Asset or such lesser amount requested by the Company in the Company’s sole discretion.

(d) The Custodian and Paying Agent will indemnify and hold harmless the Company, the Initial Member and its directors, officers, employees, agents and designees, from and against any and all Losses of any kind or nature whatsoever that might be imposed on, incurred by, or asserted against it or them in any way relating to or arising out of a Custodial Delivery

The foregoing indemnification will survive any termination or assignment of this Agreement.

### Section 14.1 Reliance of Custodian and Paying Agent.

(a) Documents; Communications. The Custodian and Paying Agent may rely conclusively on any request, instruction, certificate, direction, receipt, demand, consent, resolution, statement, instrument, opinion, report, notice or other document or communication furnished to the Custodian and Paying Agent pursuant to this Agreement or any Asset Document that the Custodian and Paying Agent believes in good faith (i) to have been signed or presented by an Authorized Representative of the party required to sign or present such document and (ii) conforms in form to the requirements of this Agreement; provided, however, that in the case of any request, instruction, certificate, direction, receipt, demand, consent, resolution, statement, instrument, opinion, report, notice or other document or communication which by any provision of this Agreement is specifically required to be furnished to the Custodian and Paying Agent, the Custodian and Paying Agent will be under a duty to examine the same in accordance with the requirements of this Agreement and any Asset Document.

(b) Requested Instructions. If the Custodian and Paying Agent requests instructions from the Company, the Initial Member or the Private Owner, as applicable, with respect to any act, action or failure to act in connection with this Agreement, the Custodian and Paying Agent will be entitled (without incurring any liability therefor to the Company or any other Person) to refrain from taking such action and continue to refrain from acting unless and until the Custodian and Paying Agent has received written instructions from the Company, the Initial Member or the Private Owner, as the case might be.

(c) Certificates. Whenever the Custodian and Paying Agent deems it necessary or desirable that a matter be proved or established in connection with taking or omitting any action by it pursuant to this Agreement, such matter (unless other evidence in respect of such matter is specifically prescribed in this Agreement) may be deemed, in the absence of gross negligence or willful misconduct on the part of the Custodian and Paying Agent, to be conclusively proved or established by a certificate of an Authorized Representative of the relevant Party delivered to the Custodian and Paying Agent.

(d) Reliance on Experts. The Custodian and Paying Agent may consult with and obtain advice from reputable and experienced outside counsel, certified public accountants that are nationally recognized, or other experts and the advice or any opinion of such counsel, accountants or other appropriate experts will be full and complete authorization and protection in

respect of any action taken or omitted by it pursuant to this Agreement in good faith and in accordance with such advice or opinion of counsel, accountants or other appropriate experts.

(e) Limited Risk; Additional Limitations. None of the provisions of this Agreement requires the Custodian and Paying Agent to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties pursuant to this Agreement, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it. The Custodian and Paying Agent will not (i) be deemed to have knowledge of any default, event of default, event or information, or be required to act upon any default, event of default, event or information (including the sending of any notice), in each case unless written notice has been delivered to the Paying Agent or the Custodian in accordance with the applicable requirements herein or a Responsible Officer of the Paying Agent or the Custodian has actual knowledge of such event or information, (ii) except as otherwise provided in this Agreement, have any duty to take any action to determine whether any such event, default or event of default has occurred, (iii) have any implied duty to enforce another party's obligations if a transaction agreement has not assigned such responsibility to a particular party, (iv) unless otherwise expressly required pursuant to the provisions of this Agreement, be obligated pursuant to the terms hereof to take any legal action or commence any proceeding in connection with this Agreement or any other Transaction Document, or to appear in, prosecute or defend any such legal action or proceeding, and (v) without limitation of its express obligations under the Transaction Documents, be liable for any action or inaction of any other party or agent thereof (that is not the Custodian and Paying Agent or an agent of the Custodian and Paying Agent) to any Transaction Document. Notwithstanding anything to the contrary in this Agreement, the Custodian and Paying Agent will not be required pursuant to the terms of this Agreement to take any action that is not in accordance with applicable Law. The right of the Custodian and Paying Agent to perform any permissive or discretionary act enumerated in this Agreement or any related document will not be construed as a duty.

(f) Merger or Consolidation. Any corporation into which the Custodian and Paying Agent might be merged or converted or with which it might be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Custodian and the Paying Agent is a party, or any corporation succeeding to the business of the Custodian and Paying Agent, except for any such Person who is or, upon consummation of such transaction, will be an Affiliate of the Company, the Servicer or any Subservicer, will be the successor of the Custodian and Paying Agent pursuant to this Agreement without the execution or filing of any paper with any party to this Agreement or any further act on the part of any of the parties to this Agreement except where an instrument of transfer or assignment is required by Law to effect such succession, notwithstanding anything in this Agreement to the contrary; provided, however, that any such successor must satisfy the representations, warranties and covenants set forth in Section 10.1. The Custodian and Paying Agent or successor Custodian and Paying Agent is to provide the Company with written notice prior to or within ten days after the consummation of any such transaction. At no time may an Affiliate of the Company, the Servicer, any Subservicer or any JDC Contractor be the Custodian and Paying Agent pursuant to this Agreement.

## **ARTICLE XIX MISCELLANEOUS**

Section 19.1 Application of the Common Terms. The Common Terms apply to this Agreement.

Section 19.2 Assignment; Binding Effect.

(a) Except as is permitted pursuant to the provisions of this Agreement providing for successor Custodians and Paying Agents, the Custodian and Paying Agent may not assign or delegate this Agreement or any of its rights or obligations pursuant to this Agreement without the prior written consent of the Company and any such purported assignment or delegation without such consent will be void *ab initio*. This Agreement will be binding on and inure to the benefit of the parties to this Agreement and their respective successors and permitted assigns, and (subject to Section 19.2(b)), no other Person or Persons will have any rights or remedies pursuant to or by reason of this Agreement. Without limiting the generality of the preceding sentence, this Agreement will be binding on and inure to the benefit of (i) any successor “Initial Member” under, and in accordance with, the LLC Operating Agreement and (ii) any successor “Private Owner” under, and in accordance with, the LLC Operating Agreement.

(b) To the extent that this Agreement confers directly any rights, remedies or other benefits upon the Transferor (or any Existing Servicer), this Agreement (subject to Sections 19.1 and 19.2 as if the Transferor was a party to this Agreement) also will inure to the benefit of, and may be enforced by, the Transferor.

Section 19.3 Rights Cumulative. The rights, powers and remedies of the Custodian and Paying Agent, the Initial Member, the Private Owner and the Company pursuant to this Agreement are in addition to all rights, powers and remedies given to the Custodian and Paying Agent, the Initial Member, the Private Owner and the Company by virtue of any statute or rule of Law, or any other agreement, all of which rights, powers and remedies are cumulative and may be exercised successively or concurrently.

Section 19.4 Amendments. Subject to the requirements of the LLC Operating Agreement as they relate to the Company, this Agreement may be amended from time to time by written agreement signed by (a) the Company, the Initial Member, and the Custodian and Paying Agent and (i) if such amendment relates to the Private Owner Pledged Account or the Qualifying Cash Collateral, the Private Owner, and (ii) if such amendment relates to the Transferor (or any Existing Servicer), the Transferor, or (b) if such written agreement relates solely to the Private Owner Pledged Account or, if applicable, any funds or Permitted Investments on deposit in, or credited to, such Account, the Initial Member, the Private Owner and the Paying Agent.

Section 19.5 Non-petition. Notwithstanding anything in this Agreement to the contrary, the Bank, in its capacity as the Custodian and Paying Agent pursuant to this Agreement, will not, prior to the date which is one year and one day after the termination of this Agreement, institute or join, or join or assist any other Person in instituting or joining, (a) any Insolvency Proceeding with respect to the Company, the Private Owner or any of their respective Subsidiaries or (b) any proceeding for the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official for, or for any substantial part of the property of, the Company, the Private Owner or any of their respective Subsidiaries, or for the ordering of the dissolution, winding-up or liquidation of the affairs of the Company, the Private Owner or any of their respective Subsidiaries.

Section 19.6 Custodian and Paying Agent Special Acknowledgments. The Custodian and Paying Agent acknowledges that, notwithstanding anything in this Agreement to the contrary, (a) it is not a party to, and is not to be deemed to be a party to, any Transaction Document other than this Agreement and, for the limited purposes set forth and described therein, the Agreement of Common Terms and Definitions; (b) all Transaction Documents other than this Agreement, and any exhibits, annexes, schedules or other attachments to such Transaction Documents, may be modified, amended, restated or supplemented by the parties to such Transaction Documents without the consent of or joinder by the Custodian and Paying Agent; and (c) the Agreement of Common Terms and Definitions provides, *inter alia*, that the parties to the Agreement of Common Terms and Definitions, subject to certain conditions specifically set forth therein, may modify, amend, restate or supplement any provision of or definition in the Agreement of Common Terms and Definitions without the consent of or joinder by the Custodian and Paying Agent. Once any such modification, amendment, restatement or supplement of the Agreement of Common Terms and Definitions (an “**Agreement of Common Terms and Definitions Amendment**”) becomes effective in accordance with the provisions of the Agreement of Common Terms and Definitions, the Company is to deliver to the Custodian and Paying Agent a written notice of such Agreement of Agreement of Common Terms and Definitions Amendment. Upon the Custodian and Paying Agent’s receipt of any such notice from the Company, the terms used in this Agreement (including in the preamble and recitals to this Agreement) that are defined in, or by reference in, the Agreement of Common Terms and Definitions will have for all intents and purposes of this

Agreement the definitions as so modified, amended, restated or supplemented by an Agreement of Common Definitions and Common Terms Amendment; provided, however, that if and to the extent that any such modification, amendment, restatement or supplement of this Agreement of Common Terms and Definitions has a materially adverse impact on the rights and benefits of the Bank in its individual capacity, or imposes any additional obligation or liability on the Custodian and Paying Agent, such modification, amendment, restatement or supplement of the Agreement of Common Terms and Definitions will not be binding on the Custodian and Paying Agent unless the Custodian and Paying Agent consents in writing to such modification, amendment, restatement or supplement of the Agreement of Common Terms and Definitions, such consent not to be withheld, delayed or conditioned unreasonably.

### REVIEW CRITERIA

1. The Note and Mortgage each appear to bear an original signature or signatures purporting to be the signature or signatures of the Person or Persons named as the maker and Borrower, or in the case of copies of the Mortgage, that such copies bear a reproduction of such signature.
2. The amount of the Note is the same as the amount specified on the related Mortgage and Asset Schedule.
3. The original mortgagee is the same as the payee on the Note.

6. None of the original Note, the copy of the Mortgage, or the original Mortgage Assignment, contain any notations on their face that appear in the good faith judgment of Custodian to evidence any claims, liens, security interests, encumbrances or restrictions on transfer or any other alterations which appear irregular on their face, or if altered, such alterations have the initials of the person(s) named as the Borrower.
7. The Note appears to have been endorsed in blank by the original payor or the last endorsee.
8. Each original Mortgage Assignment in blank and any intervening assignment of mortgage, if applicable, appears to bear the original signature of the named mortgagee or beneficiary including any subsequent assignors, as applicable, or in the case of copies with respect to intervening Mortgage Assignments, that such copies appear to bear a reproduction of such signature or signatures, and the intervening Mortgage Assignments evidence a complete chain of assignment and transfer of the related Mortgage from the originating Person to the Company. The Custodian has no obligation to determine whether the certifications referenced in the foregoing sentence are authorized or issued by any particular person or officer or by a person who is in fact an Authorized Representative or is otherwise authentic.
9. The date of each intervening Mortgage Assignment is on or after the date of the related Mortgage and/or the immediately preceding assignment, as the case may be.

Bank, in its individual capacity and in its capacity as the “Paying Agent” pursuant to the Custodial and Paying Agency Agreement) agree as follows:

Section 1. Transfers to and from the Private Owner Pledged Account; Control; Conflicting Orders or Instructions.

(a) (i) The Private Owner Pledged Account is to be funded pursuant to the terms of the Custodial and Paying Agency Agreement and the LLC Operating Agreement. The parties agree that all amounts received by the Bank for credit to the Private Owner Pledged Account are, except as provided below, to be used for the purposes set forth in the Custodial and Paying Agency Agreement and the LLC Operating Agreement. The Bank agrees that if at any time it receives any entitlement order or instruction from the Initial Member (i) directing disposition of funds in the Private Owner Pledged Account or (ii) directing transfer or redemption of the financial assets relating to the Private Owner Pledged Account, the Bank will comply with such entitlement order or instruction without further consent by the Private Owner or any other Person. The Bank will not (I) except as expressly permitted below with respect to Permitted Investments, act on any instruction or entitlement order of the Private Owner or any other Person (other than the Initial Member) without the prior written consent of the Initial Member, or (II) cause or permit withdrawals from the Private Owner Pledged Account in any manner not approved by the Initial Member in writing. The Private Owner may direct the Bank to cause funds in the Private Owner Pledged Account to be invested in Permitted Investments (which will remain in and be credited to the Private Owner Pledged Account) pursuant to the Custodial and Paying Agency Agreement (but may not request any transfers or withdrawals from the Private Owner Pledged Account, including in connection with or as a result of such Permitted Investments, it being understood that any such withdrawals, including as may be permitted pursuant to the Custodial and Paying Agency Agreement, are to be pursuant to instructions by, or with the written consent of, the Initial Member); provided, however, that, from and after receipt by the Bank of a written notice from the Initial Member that an Event of Default has occurred and is continuing (a “**Notice of Event of Default**”), the Bank will cease to comply with any such instructions or entitlement orders from the Private Owner with respect to Permitted Investments and will comply exclusively with the Initial Member’s instructions and entitlement orders concerning the investment and disposition of funds and financial assets in the Private Owner Pledged Account without further consent of the Company.

(b) Notwithstanding anything to the contrary contained in this Agreement, if at any time the Bank receives conflicting orders or instructions from the Initial Member and the Private Owner, the Bank will follow the orders or instructions of the Initial Member and not the Private Owner.

Section 2. Private Owner Pledged Account. The Bank confirms and agrees that:

(a) Neither the Bank nor the Private Owner will change the name or account number of the Private Owner Pledged Account without the prior written consent of the Initial Member;

Exhibit Q-2

(b) The Private Owner Pledged Account is a “deposit account” (as defined in Section 9-102(a)(29) of the NY UCC) or “securities account” (as defined in Section 8-501 of the NY UCC) and the Bank is a “bank” (as such term is defined in Section 9-102(a)(8) of the NY UCC) and a “securities intermediary” (as such term is defined in Section 8-102(a)(14) of the NY UCC);

(c) If and to the extent the Private Owner Pledged Account is a “securities account” (as such term is defined in Section 8-501 of the NY UCC):

(i) all securities, financial assets or other property credited to the Private Owner Pledged Account other than cash are to be registered in the name of the Bank, indorsed to the Bank or in blank or credited to another securities account maintained in the name of the Bank, and in no case will any financial asset credited to the Private Owner Pledged Account be registered in the name of the Private Owner, payable to the order of the Private Owner or specially indorsed to the Private Owner unless the foregoing have been specially indorsed to the Bank or in blank;

(ii) all financial assets delivered to the Bank pursuant to the Custodial and Paying Agency Agreement will be promptly credited to the Private Owner Pledged Account;

(iii) the Bank agrees that each item of property (whether investment property, financial asset, security, instrument or cash) credited to the Private Owner Pledged Account (to the extent that it constitutes a “securities account” (as defined in Section 8-501 of the NY UCC)) will be treated as a “financial asset” within the meaning of Section 8-102(a)(9) of the NY UCC;

(iv) the “securities intermediary jurisdiction” (as defined in Section 8-110(e) of the NY UCC) shall be the State of New York;

(v) the Initial Member is the “entitlement holder” (within the meaning of Section 8-102(a)(7) of the NY UCC) of the “security entitlements” (within the meaning of Section 8-102(a)(17) of the NY UCC) with respect to the Private Owner Pledged Account and each “financial asset” (as defined above) credited thereto; and

(vi) the Initial Member shall have “control” (within the meaning of Section 8-106 of the NY UCC) of the Private Owner Pledged Account, subject to the terms of this Agreement, the Custodial and Paying Agency Agreement and the LLC Operating Agreement.

(d) Without limitation of the Initial Member’s rights pursuant to Section 1 above, from and after receipt of a Notice of Event of Default from the Initial Member, the Bank will comply with any stop payment orders given by the Initial Member with respect to items presented for payment by the Private Owner;

(e) There are no other agreements entered into between the Bank and the Private Owner with respect to the Private Owner Pledged Account other than the Custodial and

### Exhibit Q-3

Paying Agency Agreement and the LLC Operating Agreement that would affect the Bank's abilities to carry out its duties as set forth in this Agreement;

(f) The Bank has not entered into, and until the termination of this Agreement will not enter into, any agreement with any other Person relating to the Private Owner Pledged Account and/or any funds held therein pursuant to which it has agreed, or will agree, to comply with entitlement orders (as defined in Section 8-102(a)(8) of the NY UCC) or instructions (within the meaning of Section 9-104 of the NY UCC) of such other Person; and

(g) The Bank has not entered into, and until the termination of this Agreement will not enter into, any agreement with the Private Owner purporting to limit or condition the obligation of the Bank to comply with entitlement orders (as defined in Section 8-102(a)(8) of the NY UCC) or instructions (as such term is defined in Section 9-104 of the NY UCC) of the Initial Member as set forth in Section 1 above.

Section 3. Private Owner Pledged Account Acknowledgement. The Private Owner acknowledges that (a) the Private Owner Pledged Account is the "Private Owner Pledged Account" referenced in the LLC Operating Agreement, and (b) for purposes of the pledge of a first priority lien on and security interest in the Private Owner Pledged Account under the LLC Operating Agreement, the security interest granted thereunder includes a security interest in all amounts on deposit in the Private Owner Pledged Account, and any and all Investment Property, Financial Assets or other Property (including uninvested funds) from time to time credited to the Private Owner Pledged Account or deposited or carried therein, any and all investments made with funds therein, and any and all proceeds, products, income, benefits, substitutions or replacements to any of the foregoing, whether now owned or existing, or hereafter acquired and arising in. For purposes of this Section 3, "Investment Property", "Financial Assets" and "Property" each will have the meaning given to such term in the NY UCC.

Section 4. Subordination of Lien; Waiver of Set-Off. In the event that the Bank has or subsequently obtains by agreement, by operation of law or otherwise a security interest in the Private Owner Pledged Account or any funds held therein, the Bank agrees that such security interest will be subordinate to the security interest of the Initial Member. The funds and other items deposited into the Private Owner Pledged Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any Person other than the Initial Member (except that the Bank may set off (a) all amounts due to the Bank in respect of customary fees and expenses for the routine maintenance and operation of the Private Owner Pledged Account (excluding fees payable pursuant to Section 12), (b) the face amount of any checks that have been credited to the Private Owner Pledged Account but are subsequently returned unpaid because of uncollected or insufficient funds, and (c) other returned items or mistakes made in crediting the Private Owner Pledged Account).

Section 5. CHOICE OF LAW.

(a) Law Governing this Agreement. EACH PARTY TO THIS AGREEMENT AGREES AND ELECTS THAT, IN ACCORDANCE WITH SECTION 5-1401

Exhibit Q-4

OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, EXCLUDING ANY CONFLICT OF LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION, AND EACH PARTY TO THIS AGREEMENT UNCONDITIONALLY AND IRREVOCABLY WAIVES ANY CLAIM TO ASSERT THAT THE LAWS OF ANY OTHER JURISDICTION GOVERN THIS AGREEMENT. NOTHING IN THIS AGREEMENT WILL REQUIRE ANY UNLAWFUL ACTION OR INACTION BY ANY PARTY TO THIS AGREEMENT.

(b) Location of Financial Institution. Regardless of any provision in any other agreement to the contrary, New York will be the Bank's jurisdiction for purposes of Section 9-304 of the NY UCC and the "securities intermediary's jurisdiction" for purposes of Section 8-110 of the NY UCC.

(c) Law Governing Private Owner Pledged Account. The Private Owner Pledged Account will be governed by the laws of the State of New York.

Section 6. Conflict with Other Agreements; Amendment. In the event of any conflict between this Agreement (or any portion of this Agreement) and any other agreement between the Private Owner and the Bank now existing or hereafter entered into, the terms of this Agreement will prevail. No amendment or modification of this Agreement or waiver of any right pursuant to this Agreement will be binding on any party to this Agreement unless it is in writing and is signed by all of the parties to this Agreement.

Section 7. Adverse Claims. Except for the claims and interests of the Initial Member and the Private Owner in the Private Owner Pledged Account, the Bank does not have actual knowledge of any claim to, or interest in, the Private Owner Pledged Account or in any "financial assets" (as such term is defined in Section 8-102(a) of the NY UCC), cash or funds credited thereto. If any Person (other than the Initial Member) asserts any Lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Private Owner Pledged Account or against any funds held therein, upon a Responsible Officer of the Bank receiving written notice of such lien, encumbrance or adverse claim, the Bank will promptly notify the Initial Member and the Private Owner thereof. For the purposes of this Section 7, a "Responsible Officer" of the Bank means any managing director, director, associate, principal, vice president, assistant vice president, secretary, assistant secretary, treasurer, assistant treasurer, trust officer or any other officer of the Bank customarily performing functions similar to those performed by any of the above designated officers and directly responsible for the administration of this Agreement and also means, with respect to a particular corporate trust matter, any other officer to whom such matter is referred because of his or her knowledge of and familiarity with the particular subject.

Section 8. Successors. The terms of this Agreement will be binding upon, and will inure to the benefit of, the parties to this Agreement and their respective successors and assigns

Exhibit Q-5

(including, for the avoidance of doubt, the Persons from time to time constituting the “Initial Member” under the LLC Operating Agreement (in their respective capacities as such)).

Section 9. Notices. All notices, requests, demands and other communications required or permitted to be given or delivered under or by reason of the provisions of this Agreement are to be delivered in accordance with (and subject to) the provisions of the Notice Schedule (which Notice Schedule is incorporated by reference into this Agreement); provided, however, that, service of any writ, process or summons in any suit, action or proceeding arising out of, relating to, or in connection with this Agreement or any Transaction Document will be subject to the applicable provisions in Section 14(c).

Section 10. Termination. The obligations of the Bank to the Initial Member pursuant to this Agreement will continue in effect until the earlier of (a) the Initial Member has notified the Bank of termination of this Agreement in writing or (b) the Bank has resigned or been removed under the terms of the Custodial and Paying Agency Agreement and (x) all funds deposited in the Private Owner Pledged Account have been transferred to the successor to the Bank as Custodian and Paying Agent, pursuant to Section 9.1(d) of the Custodial and Paying Agency Agreement, and (y) such successor Custodian and Paying Agent and the Private Owner (which the Private Owner will do upon demand of the Initial Member) executes and delivers to the Initial Member a Private Owner Pledged Account Control Agreement in the form of Exhibit Q to the Custodial and Paying Agency Agreement or otherwise satisfactory to the Initial Member. The Initial Member agrees with the Private Owner to provide a Notice of Termination in substantially the form of Exhibit A to this Agreement to the Bank on or after the termination of the Initial Member’s security interest in the Private Owner Pledged Account pursuant to, or as otherwise provided by, the terms of the LLC Operating Agreement.

Section 11. Limitation of Liability; Indemnification of the Bank. The Private Owner and the Initial Member agree that (a) the Bank is released from any and all liabilities to the Private Owner and the Initial Member arising from the terms of this Agreement and compliance by the Bank with the terms of this Agreement, except to the extent that such liabilities arise from the Bank’s bad faith, willful misconduct or negligence and (b) the Private Owner, its successors and assigns will indemnify and save harmless the Bank from and against any loss, liability or expense incurred without bad faith, willful misconduct or negligence on the part of the Bank, its officers, directors and agents, arising out of or in connection with the execution and performance of this Agreement or the maintenance of the Private Owner Pledged Account, including the reasonable actual costs and expenses of defending themselves against any claim or liability in connection with the performance of any of their powers or duties pursuant to this Agreement. The Bank’s right to indemnification pursuant to this Agreement will survive the termination of this Agreement and the earlier resignation or removal of the Bank.

Section 12. Fees. The Bank will charge such fees for its services pursuant to this Agreement as will be set forth in a separate agreement between the Bank and the Private Owner, the payment of which fees, together with the Bank’s expenses in connection with this Agreement (including, without limitation, attorneys’ and agents’ fees and expenses), will be the obligation of the Private Owner. The obligation of the Private Owner to pay the Bank such fees and reimburse

Exhibit Q-6

the Bank for such expenses will survive the resignation or removal of the Bank (for all fees and expenses incurred prior to such resignation or removal) or the termination or assignment of this Agreement.

Section 13. Counterparts. This Agreement may be executed in any number of counterparts, including by facsimile or other electronic means of communication, all of which will constitute one and the same instrument, and any party to this Agreement may execute this Agreement by signing and delivering one or more counterparts.

Section 14. Jurisdiction; Venue and Service.

(a) Each of the Private Owner and the Bank, in each case on behalf of itself and its Affiliates, irrevocably and unconditionally:

(i) consents to the jurisdiction of the United States District Court for the Southern District of New York and to the jurisdiction of the United States District Court for the District of Columbia for any suit, action or proceeding against it or any of its Affiliates commenced by the Initial Member arising out of, relating to, or in connection with this Agreement or any other Transaction Document, and waives any right to:

(ii) consents to the jurisdiction of the Supreme Court of the State of New York for any suit, action or proceeding against it or any of its Affiliates commenced by the Initial Member arising out of, relating to, or in connection with this Agreement or any other Transaction Document (other than the LLC Operating Agreement), and waives any right to:

(A) remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Initial Member;
